Councillor Macklin detailed the proposed format and asked each Councillor to speak at the meeting for a few minutes on a topic of special interest. These would be confirmed by e-mail to avoid duplication.

Keith Weller had sent apologies and arranged for Keith Daulby from the Cotswold Parish Wardens to attend. It was agreed to have a selection of pictures from Keith Weller's footpath report would be available rather than having a slide show. The Forest of Avon also planned to be represented.

The working group had reviewed a number of options and were recommending oak noticeboards with black lettering on the header boards from Earth Anchors. Councillor Bravin would ask for clarification on the material used for the clear door panels and a final quote for the supply of one larger and two smaller noticeboards. It was noted that there would be a small additional cost associated with the installation of the noticeboards by the Cotswold Wardens.
