

Charlcombe Parish Council Subject Access Request Procedure

This procedure will be followed when an individual contacts Charlcombe Parish Council to request access to their personal information held by the Council. Requests will be actioned as soon possible after receipt and must be completed within 1 month. Subject Access Requests (SAR) will normally be provided free of charge; however, a 'reasonable fee' will be charged when a request is manifestly unfounded or excessive, particularly if it is repetitive.

We will follow the steps below to action a request:

1. Is it a valid subject access request?
 - a) The request must be in writing (letter or email).
 - b) Has the person requesting the information provided sufficient information to allow a search for the information? (We will request for more information from the person if the request is too broad.)
2. Verify the identity of the requestor.
 - a) We must be confident that the person requesting the information is the person the information relates to. We may ask for the person to present their passport/photo driving licence and confirmation of their address (utility bill/bank statement).
3. Determine where the personal information will be found
 - a) We will consider the type of information requested and determine where the records are stored. (Personal data is data which relates to a living individual who can be identified from the data (name, address, email address, database information) and can include expressions of opinion about the individual.)
 - b) If we do not hold any personal data, we will inform the requestor.
4. Screen the information
 - a) Some of the information we have retrieved may not be disclosable due to exemptions, however legal advice will be sought before applying exemptions. Examples of exemptions are:
 - References you have given
 - Publicly available information
 - Crime and taxation
 - Management information (restructuring/redundancies)
 - Negotiations with the requestor
 - Regulatory activities (planning enforcement, noise nuisance)
 - Legal advice and proceedings
 - Personal data of third parties

5. Are we able to disclose all the information?
 - a) In some cases, emails and documents may contain the personal information of other individuals who have not given their consent to share their personal information with others. If this is the case, the other individual's personal data will be redacted before the SAR is sent out.

6. Prepare the SAR response (using the sample letters at the end of this document) including as a minimum the following information:
 - a) the purposes of the processing;
 - b) the categories of personal data concerned;
 - c) the recipients or categories of recipients to whom personal data has been or will be disclosed, in particular in third countries or international organisations, including any appropriate safeguards for transfer of data;
 - d) where possible, the envisaged period for which personal data will be stored, or, if not possible, the criteria used to determine that period;
 - e) the existence of the right to request rectification or erasure of personal data or restriction of processing of personal data concerning the data subject or to object to such processing;
 - f) the right to lodge a complaint with the Information Commissioners Office (ICO);
 - g) if the data has not been collected from the data subject, the source of such data;
 - h) the existence of any automated decision-making, including profiling and any meaningful information about the logic involved, as well as the significance and the envisaged consequences of such processing for the data subject.

We will also provide a copy of the personal data undergoing processing.

All SARs will be logged to include the date of receipt, identity of the data subject, summary of the request, indication of whether the Council can comply, and date information is sent to the data subject.

3. Replying to a subject access request explaining why you cannot provide any of the requested personal data

“[Name] [Address]

[Date]

Dear [Name of data subject]

Data Protection subject access request

Thank you for your letter of *[date]* making a data subject access request for *[subject]*.

I regret that we cannot provide the personal data you requested. This is because *[explanation where appropriate]*.

[Examples include where one of the exemptions under the data protection legislation applies. For example, the personal data might include personal data is ‘legally privileged’ because it is contained within legal advice provided to the council or relevant to on-going or preparation for litigation. Other exemptions include where the personal data identifies another living individual or relates to negotiations with the data subject. Your data protection officer will be able to advise if a relevant exemption applies and if the council is going to rely on the exemption to withhold or redact the data disclosed to the individual, then in this section of the letter the council should set out the reason why some of the data has been excluded.]

Yours sincerely”
